REMUNERATION TRIBUNAL

REPORT NO. 2 OF 2019

Remuneration of Members of the Judiciary, Presidential Members of the SAET, Presidential Members of the SACAT, the State Coroner, and Commissioners of the Environment, Resources and Development Court

INTRODUCTION

1. The Remuneration Tribunal (“the Tribunal”) has jurisdiction under section 13 of the Remuneration Act 1990 (“the Act”), to determine the remuneration payable to Judges, Magistrates and holders of the public offices listed in that section of the Act. Section 14 of the Act provides that the Tribunal may be conferred additional jurisdiction by any other Act or by proclamation by the Governor, to determine the remuneration of other specified offices.

BACKGROUND

2. In previous reviews of judicial remuneration in South Australia, the Tribunal has had regard to the national framework of salaries paid to judicial officers throughout the Commonwealth.

3. It would be accurate to describe the concept of a national framework of judicial salaries as a guiding principle for the purpose of considering judicial remuneration in South Australia. However, whilst adopting this guiding principle, the Tribunal has ensured that discretion has been preserved for the purpose of making an independent judgement of an appropriate level of judicial remuneration from time to time.

4. The Tribunal has avoided any Determination that judicial salaries in South Australia will automatically follow any Determination or legislative regulation of judicial remuneration in another jurisdiction. Nonetheless, it is a feature of the history of the Tribunal’s determination of judicial salaries in South Australia that the level of salary of a Puisne Judge of the Supreme Court has been determined taking into consideration, among other things, the salary of a Puisne Judge of Supreme Courts throughout the States and Territories and the salaries of Federal Court Judges.

PROCEDURAL HISTORY

5. Section 10(2) of the Act provides that prior to the making of a Determination, the Tribunal must allow an affected person, or persons of an affected class, a reasonable opportunity to make submissions orally or in writing to the Tribunal. Section 10(4) provides that the Minister responsible for the Act may intervene, personally or by counsel or other representative, in proceedings before the Tribunal for the purpose of introducing evidence, or making submissions, on any question relevant to the public interest.

6. On 30 October 2018, the Tribunal wrote to the Judicial Remuneration Coordinating Committee (“JRCC”) and the Magistrates Association of South Australia (“MASA”), notifying of the Tribunal’s intention to conduct a review of the remuneration of the relevant office holders. The Tribunal also wrote to the Honourable Premier of South Australia (“the Hon. Premier”), as the Minister responsible for the Act.
